Simon Maxwell-Stewart

Curriculum Vitae

*I relish being set a challenge. My diverse skill set helps to
generate new ideas quickly, while my scientific training
enables me to efficiently identify a solution.*

Education

2007–2010	**Bachelor of Physics**, *University of Oxford*, UK.
2007–2010	**A Levels - Further Maths, Physics & Biology**, *King's School Worcester*, UK.

Experience

Tech

MAY–AUG 2014	**Software Developer**, *Mobicow.com*, Montreal, Canada.
	I joined Mobicow to work with them on a project to provide analytical reports of websites using Casperjs, Nodejs and Hapi. Working for them taught me how to make real-time applications at a massive internet scale.
2012–2014	**Web Developer**, *Freelance*, Canada & UK.
	Running my own business gave me a huge amount of responsibility I would not have easily found elsewhere. I enjoyed the pressure of having to make smart business decisions day in day out.
2011–2012	**IT Maintenance & Social Media Manager**, *NHC Institute*, Montreal, Canada.
2010–2011	**Web Designer**, *Red PR & Marketing*, Worcester, UK.

Miscellaneous

2003–2010	**Chef**, *Various Pubs, Bistros & Restaurants*, UK, I have been in and out of kitchens since I was 15. I love the fast pace and good food.
2009	**DJ / Club Promoter**, *Baby Love Bar*, Oxford, Ran a profitable club night.
